ultimate

coachella

experience

## seriously...wow

This exclusive \$6,500 prize pack grants you and a guest a Coachella experience so epic, you'll still be bragging about it forty years from now [although, we can't promise your grandkids will listen].

We'll start you off with offsite private check-in. Next, you'll get access to the onsite Safari Tent Compound featuring:

- fully furnished Shakir style tents with air conditioning
- restrooms & showers
- golf cart shuttles to and from the stages
- free private parking lot adjacent to Safari Tent Camping
- drop off area for your gear
- breakfast and late night snacks
- onsite concierge
- dedicated security & secure fence lines
- ...and more.

These tents will be set up, fully furnished, and awaiting your arrival to Coachella.

Last, you'll get 2 GUEST passes to Coachella - these are the passes your buddy brags about being able to get – but for some reason, their sister's aunt's cousin's boyfriend's mom's friend that works at Goldenvoice always seems to be on vacation. These aren't General Admission. Nay - they aren't even VIP. THEY'RE BETTER! These are the passes reserved for Friends & Family of the Artists. They get you acces to nearly everything at the festival.\*

You're probably saying to yourself "stop talking and tell me how to enter," right? I mean, 'please' would've been nice, but that's ok. All you need to do is answer three simple questions [seriously, they're easy - and there are links to the answers], give us your name, email address and zip
